

Cee-Bee® A-18 Galley Wipes

Cee-Bee® A-18 Galley Wipes are impregnated with a synergistic blend of surfactants and alcohol. They provide an ideal way of cleaning where the use of a liquid is impractical.

Conforms To

- Airbus
 - CML 11-017
- AMS
 - AMS 1550B
- Boeing
 - DPM 5216

Use Procedure

In order to improve the keeping quality of fresh foods, the need to clean food operation surfaces or equipment during a production run is very important. Cee-Bee® A-18 Galley Wipes provide the ideal means to achieve this cleaning with the minimum or disruption to production.

One Cee-Bee® Wipe is normally enough to clean several square meters. If, however, the surfaces to be cleaned are heavily soiled, the area that can be cleaned is correspondingly smaller.

Safety, Handling, and Precautions

- Before using your Cee-Bee® products, all safety and operating instructions should be read and understood. If you have any questions, please contact your Cee-Bee® representative before proceeding.
- Before using any of these products you must become completely familiar with the safety and hazard information contained in our material safety data sheets.
