

Cee-Bee[®] A-883

Cee-Bee[®] A-883 is a highly-concentrated, non-solvent gel specifically designed to clean aircraft exterior surfaces.

Conforms To

- EPA
 - 796.3100 Aerobic Aquatic Biodegradation
- Military
 - MIL-PRF-87937D
 - Type III (QPL)

Benefits

- Very effectively penetrates and removes heavy greasy soils.
- Clings to vertical and overhead surfaces.
- Rinses off easily without streaking.
- Safe on high strength steel, aluminum, magnesium, titanium and other common aircraft structural metals, good quality paints and acrylic plastics.
- Does not contain any material considered toxic by state or federal regulations.
- Has a pleasant, non-offensive odor.
- Environmentally-friendly surfactants, biodegradable.

Properties

- Blue gel
- Pleasant odor

Notes Prior to Handling

Before using your Cee-Bee[®] products, all safety and operating instructions should be read and understood. If you have any questions, please contact your Cee-Bee[®] representative before proceeding.

Use Procedure

Heavy Greasy Soils: Use Cee-Bee® A-883 undiluted. Will cling to vertical and overhead surfaces.
Moderate to Heavy Soils: Dilute 1 part Cee-Bee® A-883 with up to 5 parts water
Light to Moderate Soils: Dilute 1 part Cee-Bee® A-883 with up to 10 parts water

Cleaning Procedure

1. Apply Cee-Bee® A-883 with mops, brushes or non-atomizing spray. Start at the bottom of the surface to be cleaned and work upward to avoid streaking.
2. Allow cleaner to dwell at least 5 minutes until soils are penetrated, then agitate surface with a brush or mop.
3. Rinse thoroughly with high pressure water, starting at the top and working downward. The more concentrated cleaner solutions will require additional rinsing to avoid streaking and filming.

Safety, Handling, and Precautions

- Irritating to eyes and skin. Avoid contact. Rubber gloves and chemical goggles or face shields are recommended. Some form of eye protection is always absolutely essential.
- In case of accidental contact with eyes or skin, flush thoroughly with water. If irritation persists, seek medical attention.
- Do not take internally.
