

Honey Bee™ Freshener 50

Honey Bee™ Freshener 50 is an aqueous solution of detergents and perfume designed for in-flight treatment of aircraft toilets.

Conforms To

- AMS
 - Meets Corrosion Requirements of AMS 1452

Benefits

- Effectively masks offensive toilet odors which may develop in flight.
- May be used in rinse water of toilet service ground equipment to prevent offensive odors from permeating aircraft interiors.
- Safe on aircraft structural metals.
- Provided in one pint (500 ml.) squeeze bottles and 2 oz. spray bottles.
- Contains no dye

Properties

- Water-thin liquid
- Pleasantly scented
- Biodegradable

Notes Prior to Handling

Before using your Cee-Bee[®] products, all safety and operating instructions should be read and understood. If you have any questions, please contact your Cee-Bee[®] representative before proceeding.

Use Procedure

In-Flight Treatment of Aircraft Toilets

- Squirt about .35 oz. (10 ml), one squeeze, of freshener from the one-pint (500 ml) squeeze bottle into the toilet bowl. Flush toilet. One squeeze should be enough to mask offensive odors.

In-flight Air Freshener

- Using the 2 oz. bottle, spray freshener into the air when required to dispel offensive odors. Avoid direct contact with eyes and skin.

Use in Toilet Service Ground Equipment

- One-part freshener to 100 parts water should be sufficient to sweeten the rinse water in the toilet service ground equipment.

Safety, Handling, and Precautions

- Avoid contact with eyes. In case of accidental contact with eyes, flood with water. If eye irritation persists, seek medical attention.
- Do not take internally.
